With such breathtaking scenery to be explored and enjoyed, Moorlands Connect is a great way to get right into the heart of it.

The big advantage of Moorlands Connect is that if you're out for a walk you don't have to retrace your steps. Book a ride to one location and book to return from another!

Welcome to Moorlands Connect.

Cheadle

With many independent shops, welcoming cafés and a traditional fish and chip shop, it's a charming town to spend time in. There's a traditional market on Fridays.

'Pugin's Gem', the Victorian Roman Catholic church of St Giles is considered to be the finest Victorian Gothic church in the country.

Buxton

The highest market town in England has elegant spa architecture like the Devonshire Dome, with a span larger than St Paul's Cathedral, and the Edwardian Opera House, home of the internationally-renowned Buxton Festival.

It has a good range of independent retailers and high street names plus great cafés, tea rooms and restaurants.

Ashbourne

This lovely market town has fine Georgian houses and St Oswald's Church, one of the glories of Derbyshire. The diarist James Boswell visited Ashbourne in the 18th Century as did

Princess Victoria in the 19th before she was Queen.

The absolutely bonkers Shrovetide Football is in March - it has to be seen to be believed - and Ashbourne Show is in August.

Leek

Characterful shops cluster around a historic stone-cobbled market square with local butchers, bakers, greengrocers, delis and award-winning teasops.

There are traditional markets indoors in the beautifully restored Victorian Butter Market and outdoors in the Market Place.
